The Credentialed Cooperative Director (CCD) curriculum demonstrates NRECA's commitment to directors, ensuring they have an opportunity to develop the competencies they need to succeed in a new and uncertain environment. The CCD certificate is awarded upon the successful completion of all five CCD courses in the curriculum. Three courses will be offered in the 2024 rotation. The remaining two will be offered in 2025.

Directors who have earned their CCD or Board Leadership (BLC) certification may audit courses they have already taken at a 50 percent discount, if space permits. In order to receive the reduced rate, applicants must note this on the registration form prior to attending the program.

Director Duties & Liabilities

NRECA Course 2600

2 WECA Skill Builder Credits

Boards are responsible for directing the affairs of the corporation. This course discusses and explains the duties of loyalty, obedience, and due care, and the need for directors to acquire the minimum knowledge and skills necessary to fulfill their responsibilities within the cooperative context.

Key Topics:

- An overview of today's multi-billion dollar electric utility business.
- The concepts and values that govern cooperatively owned businesses and related types of organizations.
- Legal and regulatory concepts affecting public utilities.
- Key legal documents such as articles of incorporation and bylaws.
- The role of management and guidelines for maintaining an effective relationship with the CEO.

***In order to hold this course, a minimum enrollment of 15 participants is required.**

Thank you to our program sponsors!
