Register online at:

http://www.weca.coop/calendar_list.asp

REGISTRATION DEADLINE

Friday, March 22

PROGRAM LOCATION

Jump River Electric Cooperative

1102 West 9th Street North

Ladysmith, Wisconsin

Phone: (715) 532-5524

ROOM BLOCK

Cobblestone Hotel & Suites

700 West 9th Street South

Ladysmith, WI 54848

(715) 532-7811

Room Block Name: WECA

Room Block Rate: \$109.95 + tax/night for double queen or single king

Room Block Expires: Rate is only available as long as there are rooms available. This isn't technically a room block, but they are giving anyone the rate above who mentions "WECA" and the rate when they call in to the hotel's local number. We recommend calling ASAP to book your room as there are limited rooms available.

WHO SHOULD ATTEND

Non-operations personnel

PROGRAM

Have you ever wondered how electricity works? Do you have a lot of questions about why your members call with "partial power", or "blinking lights", or high energy consumption complaints? Do you want to know more about what your line workers do on a daily basis and how you can keep them safe and productive while keeping system reliability in mind? Then join us for this extensive 2-day training in Ladysmith.

During this 2-day training you will learn how electricity is generated, transmitted, distributed, consumed, measured, and billed. This extensive training will be a mixture of classroom with real-life lab videos (created by Instructor) including high voltage demonstrations (up to 12,750 volts) on what causes outages and injuries and how to prevent them. Time will be given for open discussions between members from various co-ops to come up with best practices on how to efficiently operate and maintain your system keeping member satisfaction at the forefront.

All participants will be given an easy to read 58-page color manual and a 16-page glossary of terms (both Authored by your Instructor, Bandi Henke) to take back with you for referencing all topics covered in the training for the rest of your career. Don't miss out on this jam-packed, high-energy training! Space is limited, so sign up soon!

Note: We have a limit of 40 attendees for this program, so register soon!
